BICA

Dal 1967, il vostro partner di fiducia per gli arredi da giardino.

Sessant'anni di crescita ed innovazione, tutti dedicati alla produzione di mobili da giardino per il B2B scegliendo qualità, design e servizio come carte vincenti.

Since 1967, your trusted partner for garden furniture.

Sixty years of growth and innovation, all dedicated to the production of garden furniture for B2B choosing quality, design and service as winning cards.

MISSION

Ci dedichiamo a fornire soluzioni personalizzate nel settore dell'arredamento outdoor, combinando design innovativo con eccellenza operativa, orgogliosamente Made in Italy.

We are dedicated to providing customized solutions in the outdoor furniture sector, combining innovative design with operational excellence, proudly Made in Italy.

La sostenibilità è una filosofia che mira ad un equilibrio tra innovazione, responsabilità sociale e rispetto per l'ambiente.

Sustainability is a philosophy that aims to find a balance between innovation, social responsibility and respect for the environment.

Una produzione ecosostenibile richiede strumenti moderni ed efficienti.

Per questo motivo BICA investe costantemente in nuove tecnologie con l'obiettivo di ottimizzare e ridurre il consumo di energia elettrica.

L'investimento in energie rinnovabili contribuisce a ridurre sensibilmente le emissioni di CO₂.

Eco-sustainable production requires modern and efficient tools.

For this reason, BICA constantly invests in new technologies with the aim of optimizing and reducing electricity consumption.

Investing in renewable energy helps to significantly reduce CO₂ emissions.

Il processo produttivo segue un'economia circolare

The production process follows a circular economy
